INFORMATION BULLETIN 99-03

TO: Consultants

FROM: Engineering Consultants Section *PRG*

SUBJECT: AASHTO 1998 Interim Specifications for Highway Bridges

Attached is an office memo from the ADOT Bridge Group advising that AASHTO has published the 1998 Interim Specifications for Highway Bridges. Copies may be obtained per the instructions in the memo.

The 1998 Interim Specifications include revisions, additions and clarifications to Articles of the Sixteenth Edition of the Standard Specifications for Highway Bridges, 1996, and the 1997 Interim Specifications. These revisions shall be applied to all design plans approved for bid advertisement after July 1, 1999.

If there are any questions please contact the Bridge Group at (602) 712-7481.

SUBJECT: AASHTO 1998 Interim Specifications

The American Association of State Highway and Transportation Officials has published the 1998 Interim Specifications for Highway Bridges, Code HBI-98. Copies may be obtained from AASHTO, P. O. Box 96716, Washington, D. C. 20090-6716 at \$39 per copy including postage and handling. You may also fax your order to 800-525-5562 or you may place your order by phone, call 800-231-3475.

The 1998 Interim Specifications include revisions, additions and clarifications to Articles of the Sixteenth Edition of the Standard Specifications for Highway Bridges, 1996, and the 1997 Interim Specifications.

These revisions shall be applied to all design plans approved for bid advertisement after July 1, 1999.
